If you work out of a home office, but would benefit from a downtown business presence and professional services, our Business Identity Program is designed for you.

The Business Identity Program also is ideal for new businesses that need to establish a presence in the community, while keeping start-up costs to a minimum — or for businesses based elsewhere that would profit from having a local identity and services.

For \$165 a month we will provide you with:

- Professional personalized telephone answering during normal business hours. Customer/client greeting for those who visit your business address.
- A private voice mail box with 24-hour access.
- Mail receipt and storage at our 619 Main St. address.
- 10 hours conference room usage per month on a reserved basis.
- Wireless Internet connection.

Some optional add-on services available:

- Additional conference or meeting room usage to conduct larger meetings, to hold seminars, etc., with multimedia equipment provided.
- High-speed photocopy/fax/scan-to-email service at nominal extra charge.

(Rates are subject to change.)
